PRODUCT DETAILS

Features

- Lightest weight rear handle circular saw in the market
- Best balanced design giving less fatigue when lifting the handle with one hand
- Easy to push and cut a straight line because the distance between the saw blade and the handle is designed to give the optimal handle position
- Cutting speed equal to an AC-powered tool
- The kickback mitigation system monitors changes in the motor's rotation speed & stops the motor the instant it detects a sudden drop in speed due to the blade getting bound in the wood.

Specifications

Battery Voltage	36V
Motor type	Brushless
Switch type	Trigger
Blade diameter	185mm
Blade mounting hole diameter	20mm
Maximum cutting depth	90°= 62mm, 45°= 45mm
No-load speed	5,100rpm
Kick Back Protection System	Yes
Lock off button	Yes
Hook	Yes
45° Position Stop Function	Yes
Constant Speed Control	Yes
Brake Function	Yes
Soft Start	Yes
Dimensions L x H x W	432 x 213 x 260mm
Weight(including the battery)	4.7kg
Battery	HIKOKI MultiVolt battery
