

HIKOKI

Cordless

CS3630DC(H4Z) 36V Brushless 300mm Chain Saw

NEW
MULTI VOLT
**BRUSH
LESS**
Brushless Motor

Features

- 1.2kg lighter in body size and 40% smaller than its' predecessor CS3630DA for ease of handling.
- High 12.6m/s cutting performance even under high load with less locking of the saw chain thanks to the high power and high torque brushless motor.
- Capable of cutting approx. 390 times per charge.
- Approx. 44% less vibration than its' predecessor thanks to the direct drive system.
- To prevent the nut from unintentional falling, the nut is retained on the side cover by the claws. It also does not fall off at the time of removing the side cover.

Specifications

Battery Voltage.....	36V
Motor type	Brushless
Switch Type	Trigger
Chain bar length	300mm
No-load speed	12.6m/s
Approx. cuts per charge.....	390 cuts
Oil Tank Capacity.....	70ml
Chain Type	90PX-45E
Chain Pitch	3/8"
Handle Type.....	Top Handle
Weight including battery.....	3.2kg
Dimensions (L x W x H).....	578 x 184 x 194mm
Battery	HiKOKI Multi Volt batteries
