

80100 ALEMLUBE 205L/180KG DRUM DOLLY

October 2025

Designed for the convenient & easy moving of 205 litre oil drums and 180kg grease drums, the 80100 205L/180KG Drum Dolly is ideal for workshops, warehouses and production facilities.

Sturdy & WHS friendly, the 80100 drum dolly is able to carry a load of up to 180kg, reducing the physical effort of handling drums and providing a safer working environment.

Manufactured with quality heavy duty castors, the 80100 can convert an empty 180kg grease drum to a mobile container, streamlining your handling processes.
