

TECHNICAL DATA SHEET

CRC Brakleen

CRC Brakleen, the original brake parts cleaner, is formulated to quickly and safely remove brake fluid, grease, oil and other contaminants from brake linings, pads and drums.

CRC Brakleen doesn't contain silicones or methyl chloroform. CRC Brakleen is non-staining, non-corrosive, and leaves no residue. Brake units can be cleaned easily without disassembly.

Selected solvents, high density, and low surface tension ensure superior cleaning and degreasing properties and can even lift and remove oil and grease that has already penetrated linings.

Item Code: 5089

Pack Size: 500g Aerosol

Features and Benefits

- **Powerful brake cleaner and degreaser:** Superior cleaning and degreasing properties
- **No disassembly required:** Saves time and reduces maintenance cost
- **Fast evaporation:** Minimises downtime associated with "clean-in-place" cleaning methods
- **Leaves no residue:** Prevents harmful build up and eliminates rinsing and wiping
- **Controlled spray action:** Assists cleaning through surface agitation
- **Low surface tension:** Gives excellent penetration and ensures superior dissolving properties
- **Non-staining and non-corrosive**
- **Doesn't contain silicones and methyl chloroform**

Applications

- Brake linings, drums, brake shoes, disc brake pads, discs, wedge brakes, springs, callipers, clutches, clutch discs, chains, wire ropes, dies, moulds, parts and bearings, industrial machinery
- Ideal for general purpose cleaning and degreasing

Typical Properties and Characteristics

Flash Point	10°C
Odour	Mild ethereal
Appearance	Clear
Solubility	Slightly soluble in water
Propellant	Hydrocarbon

Flammability	Extremely flammable
Boiling Point	40°C
% Volatile	100%
Vapour Density	> Air
Specific Gravity	1.07

TOGETHER, WE GET IT DONE.™

Directions

1. Equipment must be de-energised before cleaning.
2. Spray liberally and allow to run off.
3. Use extension tube for hard-to-reach areas.
4. Repeat the application if necessary.
5. Protect rubber parts and painted surfaces from overspray.

Note: Test on small area before using. May be harmful to some plastics.

Special Precautions

General:

Extremely Flammable aerosol. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on open flame or other ignition source. Use with adequate ventilation. Deliberately sniffing or inhaling concentrated contents can be harmful or fatal. Wear protective gloves/protective clothing/eye protection/face protection/hearing protection. Dispose of contents/container in accordance with relevant regulations.

Pressurized container: may burst if heated. Do not pierce or burn, even after use. Store in a well-ventilated place. Keep cool. Keep container tightly closed. Store locked-up. Protect from sunlight. Do not expose to temperatures exceeding 50°C.

Refer to **Safety Data Sheet** for more details.

Product Warranty or Shelf Life

CRC offers a conditional warranty on this product for the period of 5 years from the date of manufacture.
