

TECHNICAL DATA SHEET

CRC Brakleen Water Based

CRC Brakleen Water Based is a powerful, heavy-duty cleaner and degreaser for brake and clutch parts and general mechanical equipment.

The unique formulation penetrates between surfaces and contaminants, such as grease, oil, brake fluid, transmission fluid and hardened deposits, lifting it away to be wiped or washed off. It has a long soak period, allowing for an increased working time.

CRC Brakleen Water Based is non-flammable, non-toxic, non-corrosive, biodegradable, and non-staining. It has no volatile organic vapours, making it safer for use in confined spaces.

CRC Brakleen Water Based is safe for the user and the environment.

Item Code: 1751843

Pack Size: 500g Aerosol

Features and Benefits

- **Non-flammable, non-toxic, non-corrosive, solvent-free, biodegradable, and non-staining**
- **Has no volatile organic vapours:** Ideal for use in confined spaces
- **Quick break formula:** Can be safely rinsed into the oil water separator
- **Safe on rubber and most plastics**

Applications

- Brake linings, clutch plates, eliminates clutch slippage, drums, disc brake pads, forklifts, stops disc brake squeal, other related brake/clutch parts, callipers, cylinders, industrial machinery
- Ideal for lighter equipment and regulatory compliance
- Try using CRC Brakleen Water Based as a pre-wash for CRC SmartWasher®

Typical Properties and Characteristics

Flash Point	None
Odour	Mild
Solubility	Soluble in water
Propellant	Compressed air

Flammability	Non-flammable
Appearance	Clear colourless liquid
Specific Gravity	0.95
pH	8

TECHNICAL DATA SHEET

CRC Brakleen Water Based

Directions

1. Equipment must be de-energised before cleaning.
2. Spray and leave on surface for 1-2 minutes.
3. Surfaces may need to be wiped or agitated.
4. Wipe or rinse off with water, into an oil water separator if available.
5. Repeat the application if necessary.

Note: If there is any concern regarding sensitivity of surface test on an inconspicuous area first.

Special Precautions

General:

Causes serious eye damage. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Deliberately sniffing or inhaling concentrated contents can be harmful or fatal. Wear protective gloves/protective clothing/eye protection/face protection/hearing protection. Dispose of contents/container in accordance with relevant regulations.

Pressurized container: may burst if heated. Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C.

Refer to **Safety Data Sheet** for more details.

Product Warranty or Shelf Life

CRC offers a conditional warranty on this product for the period of 5 years from the date of manufacture.
