Diaphragm Valve Assembly - Exploded View

Features

- Minsup® manifold assemblies are constructed from stainless steel components
- Ideally suitable in preventing the formation of tetra-ammine copper nitrate (TACN)

Part Number	Description
08/040/08/089	Diaphragm valve assembly complete

Product Group: AG06

Diaphragm Valve Assembly

Reference Number	Part Numbers	Description
1	08/040/08/082SS	3/16" x ¼" stainless steel BSP hose tail
2	SS16ELMF008	8mm stainless steel male x female 90° elbow
3	05/040/08/104	20mm (¾") diaphragm valve
4	AM20BSPSTS-B	20mm (¾") Minsup® stainless steel A-Type
5	SS16HN020	20mm (¾") BSP hex nipple stainless steel
6	SS16FU020	Union 20mm (¾") BSP female x female stainless steel
