PRODUCT DATA SHEET

CT MULTI-TOOL

COACT211 - 812767

PRODUCT INTRODUCTION

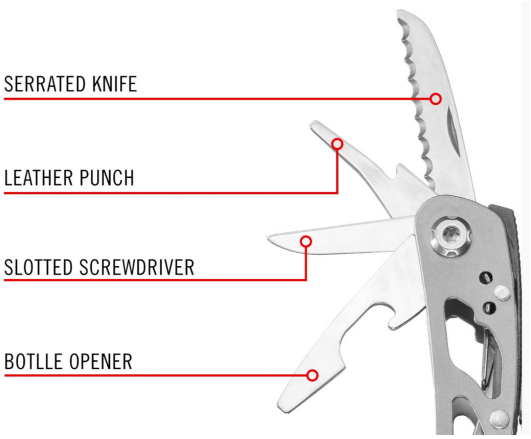

The CT211 is a tool fit for every job. 11 versatile implements in a small lightweight stainless steel frame with a sand-blasted finish.

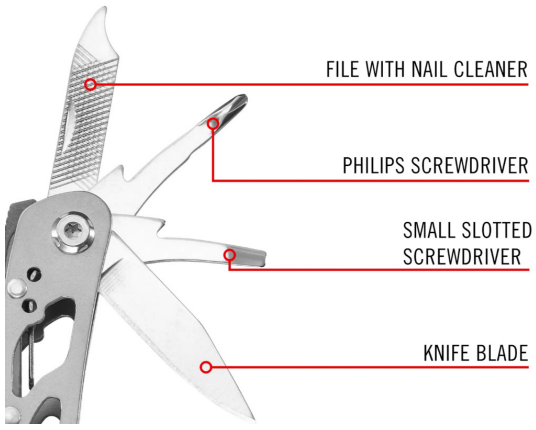

Open up the handle to grip, twist, and pull using the needle nose pliers, or cut through heavy-gauge wire with the wire cutter. From the closed position, the straight-edge and serrated knives allow you to slash through diverse challenges, while the three screwdriver formats—mini flathead, regular flathead, and Phillips—ensure you're always readyto take the problem apart or tighten things up. Other tools include: a file, nail cleaner, bottle opener, and leather punch.

The CT211, like all COAST knives and multi-tools, is built with highest-grade materials and backed by a lifetime warranty.

LIFETIME WARRANTY

CT MULTI-TOOL

COACT220 - 812768

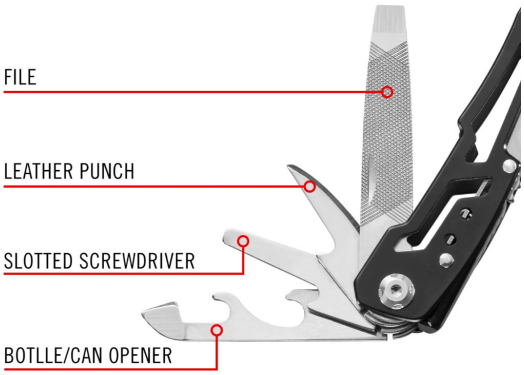

PRODUCT INTRODUCTION

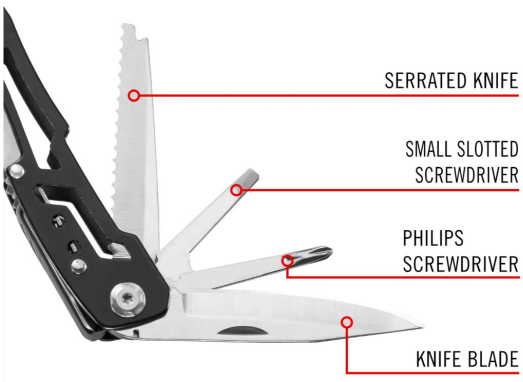

The CT220 is a tool fit for every job. 11 versatile implements in a lightweight stainless steel frame.

Open the handles to access 11 different implements secured by a safety lock, or use the spring-loaded needle nose pliers to grip, twist, or pull when it's simply too much for your fingers.
Inside the jaw of the pliers, a handy wire cutter sets you up to bite through heavy-duty wire—whether you're on the job site or at the fence line. A straight-edge knife blade and a serrated knife blade team up to keep you sharp for every cutting job.
Other tools include: a leather punch, a bottle opener, and a can opener.

The CT220, like all COAST knives and multi-tools, is built with the highest-grade materials and backed by a lifetime warranty.

PRODUCT SPECIFICATION

FRAME MATERIAL	Stainless Steel
HANDLE MATERIAL	Stainless Steel
BLADE MATERIAL	Stainless Steel

CT MULTI-TOOL

COACT225 - 812769

PRODUCT INTRODUCTION

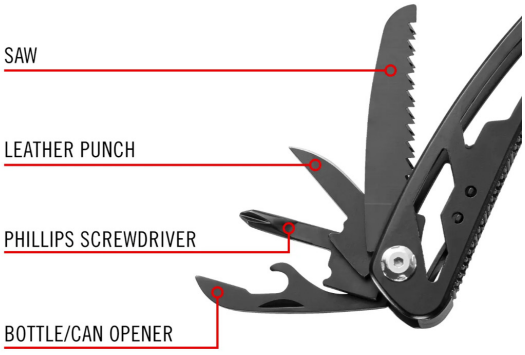

The CT225 is a tool fit for every job. 11 versatile implements in a lightweight stainless steel frame styled in all black.

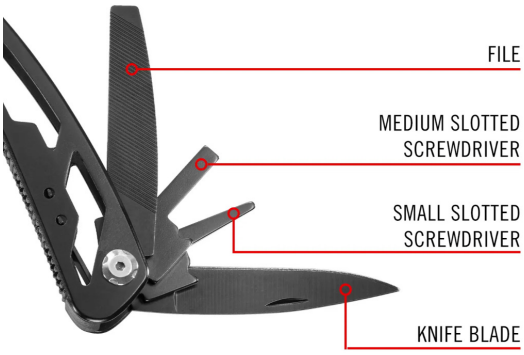

Use the spring-loaded needle-nose pliers to grip, twist, and pull, or sink them deeper into the jaw to cut through heavy-duty wire with the wire cutter.
From inside the handle, a straight-edge blade unfolds for precise cutting work, and a saw brings power to cording and other demanding materials. Three screwdriver formats—mini flathead, regular flathead, and Phillips—make it easier to tighten things down or take things apart.
Other tools include: a can opener, a bottle opener, a leather punch, and a file.

The CT225, like all COAST knives and multi-tools, is built with the highest-grade materials and backed by a lifetime warranty.

LIFETIME WARRANTY
