

TECHNICAL DATA SHEET

CRC NF Lectra Clean

CRC NF Lectra Clean is a non-flammable heavy-duty evaporating cleaner and degreaser for use on electric motors and other heavy-duty electrical and mechanical equipment.

The stabilized fast-acting solvent blend effectively removes wax, grease, oil, dirt, moisture and foreign matter that are common causes of current leakages and electric inefficiencies. It minimizes downtime by cleaning low-voltage motors and equipment while in operation.

CRC NF Lectra Clean, as part of a regular maintenance programme, promotes increased operating efficiency and longer equipment life by cleaning and removing foreign substances that can cause leakage, excessive resistance and hazardous operation of electrical equipment.

Item Code: 2018

Pack Size: 400g Aerosol

Features and Benefits

- **Non-flammable and No flash point:** Significantly reduces the risk of fire caused by incidental contact
- **Rapid and complete evaporation:** Leaves no residue, no rinsing or wiping required
- **Non-conductive and Non-corrosive**
- **Can be used on energized equipment:** Minimizes downtime, spray on while in use
- **Quickly penetrates into hard-to-reach areas**
- **Contains no lubricants, silicones, oils**

Applications

- Electrical equipment, parts and components
- Mechanical tools and components
- Marine and industrial engines
- Laboratory equipment

Typical Properties and Characteristics

Flash Point	None
Odour	Mild ethereal
Appearance	Colourless
Solubility	Insoluble in water
ASTM D-1133 (Kauri-Butanol Value)	130
ASTM D-877 (Dielectric Strength)	36,700 Volt

Flammability	Non-flammable
Boiling Point	86°C
% Volatile	100%
Vapour Density	4.5
Specific Gravity	1.51
Propellant	Carbon Dioxide
Dielectric Constant	3.4

TECHNICAL DATA SHEET

CRC NF Lectra Clean

Directions

1. Remove access plates to expose equipment interior. For heavy deposits, remove by scraping.
2. Spray liberally and allow to run off.
3. Air dry or dry with soft wiper.
4. Repeat the application if necessary.

Note: Test on small area before using. May be harmful to some plastics.

Special Precautions

General:

Causes skin and serious eye irritation. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Deliberately sniffing or inhaling concentrated contents can be harmful or fatal. Wear protective gloves/protective clothing/eye protection/face protection/hearing protection. Wash thoroughly after handling. Dispose of contents/container in accordance with relevant regulations.

Pressurized container: may burst if heated. Do not pierce or burn, even after use. Store locked-up. Protect from sunlight. Do not expose to temperatures exceeding 50°C.

Refer to **Safety Data Sheet** for more details.

Product Warranty or Shelf Life

CRC offers a conditional warranty on this product for the period of 5 years from the date of manufacture.
